

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Set public hearing for Source Reduction and Recycling Element - Final Draft

MEETING DATE: December 18, 1991

PREPARED BY: Jerry L. Glenn, Assistant City Manager

RECOMMENDED ACTION: That City Council set the public hearing for the SRRE - Final Draft for Wednesday, February 5, 1992.

BACKGROUND INFORMATION: During the entire length of calendar year 1991, the City of Lodi Solid Waste Management Task Force (SWAM Force) has worked very closely with EMCON Associates to prepare the final draft of the Source Reduction and Recycling Element.

Citizens have been well informed concerning the SRRE: The Lodi News Sentinel has done an outstanding job of informing the public, especially regarding the three cart system. Tamma Ademek has written at least four articles specifically on this subject. An article on the SRRE has also appeared in the Lodi City Newsletter.

Citizens have already been given ample opportunity to comment on the SRRE: On October 9, 1991, the SWAM Force conducted a public hearing on the preliminary draft SRRE. All input received at the public hearing, and all subsequent calls and letters received by their secretary have been considered by the SWAM Force. In addition, the SWAM Force has received written comments from California Integrated Waste Management Board staff, the San Joaquin County AB 939 Local Task Force, County Public Works - Solid Waste Division, and Delta Container Corporation. All of the above input has been considered by the SWAM Force and EMCON Associates in the preparation of the final draft SRRE.

FUNDING: None Required.

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager
